

WE ARE LOOKING FOR

**IT SYSTEM ADMINISTRATOR/
MS DYNAMICS 365
(M/F/D)**

About us

e.SIC GmbH develops a cloud-based holistic end-to-end platform for the inspection process and artificial intelligence for service-oriented solutions for the inspection and maintenance of critical infrastructures such as wastewater sewer systems, pipelines and tunnels.

Learn more about us at www.esic-sarida.cloud.

Location

98693 Ilmenau

Contract type

Fulltime

Entry

Immediately

Your tasks:

- Participation in the implementation of ERP and CRM solutions based on Microsoft Dynamics 365
- Central contact person for the ERP system used (MS Dynamics 365 Business Central) and the supplementary solutions (development, administration and support)
- Coordination of external service providers as well as support and training of users
- Creation of reviews, reports and documentations
- Conceptual design and development of interfaces
- Co-design, consulting and improvement of business processes

Your profile:

- You have a successfully completed degree with IT specialization or comparable completed training
- Ideally, you have professional experience in the implementation of ERP and CRM solutions or in comparable areas of responsibility.
- In addition, you are confident in the use of MS Office applications
- Your personal strengths include an analytical and conceptual mindset, coupled with a quick grasp as well as a structured and independent way of working.
- Your profile is rounded off by very good German language skills and good English language skills (spoken and written)

We offer:

- Pleasant working atmosphere in a collegial environment with flat hierarchies and short decision-making paths
- Exciting and varied projects with creative freedom and personal responsibility
- Personal development opportunities with future potential
- Performance-related salary and regulated working hours

Have we aroused your interest? Then we look forward to receiving your complete and informative application documents with details of the earliest possible starting date and your salary expectations:
